The screenshot shows the Mentimeter dashboard. At the top left is the Mentimeter logo. At the top right is a green 'Upgrade' button and a help icon. On the left side, there is a sidebar with 'My presentations' (highlighted), 'Inspiration', and 'Branding & Colors'. The main area is titled 'My presentations' and contains two buttons: '+ New presentation' (blue) and '+ New folder' (grey). To the right of these buttons is a search bar with the placeholder text 'Type to search'. In the center of the main area, there is a large grey circle containing a bar chart icon. Below this icon, the text reads 'No presentations here yet!' followed by a suggestion: 'Not sure where to start? Have a look at our example [education template](#) or create a new presentation.' Below this text is another blue '+ New presentation' button. At the bottom right of the dashboard, there is a Windows watermark that says 'Activate Windows Go to Settings to activate Windows' and a blue speech bubble icon.
